

COIN111

The Coin111 Engine utilises high performance LED chip on board and optical technology to deliver high lumen output even at 90CRI.

Specification

Code	EN
Family	00009
Range	Enigma
Colour	Silver
Beam Angle	24, 40, 60
Chip Specification	CRI90 2700k 1700lm, CRI90 3000k 1800lm, CRI90 4000K 1990lm
System Wattage	18W @ 500mA
Mounting Type	Lamps and Engines
Material	Die Cast Aluminium
Light Source	LED
IP Rating	IP20
Input	240V
Diameter	110mm
Height	52mm
Lifetime	50,000 Hours
